

## Maple Valley Event Guidelines

### Maple Valley Indoor Events

Face covering will be required at all indoor events upon entry into the building, hallways, and commons areas. Social distancing should be practiced at all times and in the bleachers. If social distancing is being practiced, masks become optional in the bleachers. The mask policy applies to all indoor activities until further notice.

### Elementary & Junior High Volleyball:

Only family units will be allowed to come and watch elementary and junior high volleyball. Families can decide who is inside their family unit and make decisions best for them, the fans, and our athletes. No wristbands will be given out for game entry as we are only allowing family units.

### High School Volleyball (JV and Varsity):

Region 1 has adopted a wristband policy. All fans coming into the game will need a wristband to enter. Wristbands will be issued a day or two prior to the volleyball match. If you were issued a wristband it must be worn and you can pay upon entry. If you do not have a wristband you will not be allowed into the volleyball match. There will be no wristbands available at the ticket table the night of the volleyball match.

Adults: \$6      Students (k-12): \$4      Senior Citizens (60+): \$4

### Concessions:

Limited concessions will be available in the commons area. Face coverings are required in the commons area, when ordering food, and when walking in the hallways.

### Visiting Teams:

The visiting team will be in the boys locker-room. Visiting coaches are responsible to monitor the number and actions of the athletes in the locker-room and on the bench based on their schools guidelines and regulations.

Statisticians: Can sit on their benches or behind their bench.

Scores Table: Will be limited to clock worker, libero tracker, and bookkeeper.

### Live Streaming:

Will be available through our YouTube channel as long as we have someone to video the games. Go to the Maple Valley website and click on our YouTube channel for live streaming.
