Current Timeline for ND Smart Restart Opening for the 2020-21 school year

All,

Just announced yesterday (6-24-20) afternoon. This is the current plan for North Dakota schools to reopen in August. Please keep in mind that this can and likely will change before Maple Valley puts together their plan.

1. State Groups will get guidelines to NDDPI and to Supt Baesler by **(Thursday June 25th)**. NDDPI will take the field's recommendations to the NDDOH. From there we can hope to have guidelines for the field by **July 15th**.
2. Full teams will meet again. Feedback from the Governor and State Health officers will be provided after the **4th of July (July 6-11)**. At that point, the State Group can adjust / modify and get it out to the school superintendents by around **July 15th**.
3. **July 15th** is the projected goal date to give guidelines to schools.
4. **July 16th and 17th**, the Maple Valley Admin team will meet and disseminate the information and guidelines from the state of North Dakota.
5. **July 22nd and possibly 23rd**, I would like to put a committee together to make the plan to fit Maple Valley. My intended team would be the administration, 3 teachers, 1 custodian, 1 bus driver, 1 office personnel and the head cook. Our goal will be to plan scenarios of what the "new" normal will be.
6. Our goal will be to announce to our patrons and Raider Nation, our Smart Restart Plan by **July 24th**.

Please keep in mind that this is a planned timeline that remains in motion.
