## **Preschool & Kindergarten Online Registration Directions**

Please fill out the Preschool and/or Kindergarten registration form and return it to the school by Friday, May 1st. You may also send in a copy of your child's birth certificate along with a copy of your child's current immunizations. The birth certificate and immunizations are not required at this time but will need to be turned in prior to starting school.

This online registration will get your child enrolled at Maple Valley and give us some preliminary numbers. There will be a face-to-face registration day at the school in August where more paperwork will need to be filled out, fees paid and other information handed out. We will send out a mailing and reminder to you all when a date has been selected in August for our registration at the school.

If you have any questions, please feel free to call the school between the hours of 8:00 a.m. - 3:00 p.m.
