Greetings Raider Nation:

Once again, on behalf of Maple Valley School we would like to extend our appreciation to all of you for your continued support and understanding. Together, we will get through this. The health and safety of everyone is our number one priority.

Here are a few things that I want to pass along:

1. On Friday, May 1st, 2020, the Governor announced that Distance Education would continue through the end of this academic school year. This means that students will not be returning to our school building for classes. At this time we do not have any word on summer school or what things will look like for a fall start up. We will do our best to keep you all informed.
2. On Friday, May 1st, 2020, the North Dakota High School Activities Association officially canceled all spring sponsored activities. These activities refer to the NDHSAA sponsored events. Again, we will keep you informed as to summer school and fall activities.
3. The Maple Valley School Board has approved to keep our graduation ceremony on its originally scheduled date of May 24th, 2020 at 2:00 pm. At this time we do not know the location or what guidelines that will need to be followed. More information on this will be coming out in the upcoming weeks.
4. The Maple Valley School will be providing lunches and breakfasts through June 30th, 2020. Again, what this looks like has yet to be determined. It is our hope that this will continue as we are doing now, but there may be some changes to the deliveries. Please use the following link to sign up for the summer food program. <https://forms.gle/nsrx3QivkAbL7irg9>

If you have any questions, please feel free to contact any of the administration. As stated, together we will get through this.
