Jayson Kocka, K-6 Principal

---

**If you or someone in your family is symptomatic and awaiting test results or planning to get tested, please do not send your child/children to school until you have been given a negative result.**

**The reason for this update is to remove the need to pull children in the middle of class as a result of close contact to immediate family members testing positive, as well as to reduce the risk of transmission to classmates and staff at Maple Valley.**
